

PrepMD Students: Get Financial Credit for Your Academic Success

Use your smarts to get a smart loan.

You've worked hard. You've made the grade.
And that makes you a Meritize student.

Meritize looks beyond traditional credit scores and taps into student academic data to expand student lending that empowers borrowers on the path to success.

Incorporating student performance data can improve loan opportunities, even for students with thin or no credit profiles.

If you think a traditional private student loan is beyond your reach, Meritize could be a smart option.

We go beyond the norm to understand you and your accomplishments.

A Meritize Loan:

- ★ Uses Academic Data for Better Loan Options
- ★ Offers Expedited Approval Process
- ★ Can be Repaid Over 5 or 10 Years
- ★ Has No Prepayment Penalty
- ★ Can Cover Full Cost of Attendance
- ★ Provides Full In-School Deferment Option
- ★ Offers 90-Day Payback Grace Period
