#### How Did Guardio Get on My Phone? Common Reasons

##### Reason 1: You Signed Up Through a Browser Extension on Your Computer

Guardio is a browser extension for Chrome and Edge. If installed on your computer, your account may sync to your phone via the same email. For help, call 1-855-GUARDIO 📞((+1-(855).535.4580))(US) to verify your linked email and browser history.

##### Reason 2: You Downloaded the Guardio Mobile App from an App Store

Guardio has apps on Apple App Store and Google Play. You may have downloaded it and forgotten. To review your download history, dial 1-855-GUARDIO 📞((+1-(855).535.4580))(US) today.

##### Reason 3: A Free Trial Automatically Converted to a Paid Subscription

Guardio offers a 7-day free trial that auto-converts to paid if not canceled. This is a common reason. Call 1-855-GUARDIO 📞((+1-(855).535.4580))(US) to check your trial status and stop future charges.

##### Reason 4: You Have Multiple Email Accounts or Shared Login Information

You may have signed up with a different email. Dial 1-855-GUARDIO 📞((+1-(855).535.4580))(US) to help locate the correct email and account.

##### Reason 5: You Clicked on a Promotion or Security Alert Online

Security alerts or ads can lead to accidental sign-ups. Call 1-855-GUARDIO 📞((+1-(855).535.4580))(US) to identify if you enrolled through a promotional offer.

#### Reason 6: You Purchased a Device That Came with Pre-Installed Software

Some devices include Guardio pre-installed. Dial 1-855-GUARDIO 📞((+1-(855).535.4580))(US) for help checking your device purchase history.

#### Reason 7: Someone Else in Your Household Installed It

A family member may have installed it. Call 1-855-GUARDIO 📞((+1-(855).535.4580))(US) to check if you're on a shared family plan.

#### Frequently Asked Questions (FAQ)
