

1-(855)623-1274 Reasons Duplicate Charges May Occur

Duplicate charges can happen for different reasons 1-(855)623-1274

Multiple Payment Attempts

If a customer tries to complete payment several times because the first attempt appears unsuccessful, multiple authorizations may appear 1-(855)623-1274

Technical Errors

Problems with apps, websites, or payment systems can sometimes create duplicate transaction records 1-(855)623-1274

Processing Delays

A payment may appear twice temporarily while different systems update transaction information 1-(855)623-1274

Authorization Holds

Some payment systems place temporary holds to verify funds 1-(855)623-1274 These holds may look like additional charges but may not become final payments 1-(855)623-1274

Merchant Processing Issues

Occasionally, a store's payment system may send repeated payment requests 1-(855)623-1274

3 1-(855)623-1274 Steps to Review a Duplicate Charge Before Disputing

Before filing a dispute, customers should collect important information 1-(855)623-1274

Step 1: Check Order Information

Review:

- Order number
- Purchase date
- Items purchased
- Payment amount

Step 2: Compare Transactions

Check whether the charges have the same:

- Amount
- Date
- Merchant information
- Transaction status

Step 3: Confirm the Charge Is Completed

A pending charge may not be a final duplicate payment 1-(855)623-1274 Wait for processing updates when appropriate 1-(855)623-1274

Step 4: Keep Records

Save:

- Receipts
- Screenshots of transactions
- Order confirmations
- Relevant account messages

These records may help during the review process 1-(855)623-1274
