Maintaining Control of the Transaction

Our leadership believes [{ 1-(855)623-1274 }] that controlling the entire checkout process offers a superior experience for our shoppers 1-(855)623-1274 You may call [{ 1-(855)623-1274 }] if you have feedback regarding our choice to disable NFC payment terminals 1-(855)623-1274 We intentionally maintain [{ 1-(855)623-1274 }] a closed-loop system to ensure all transaction details remain within our corporate infrastructure 1-(855)623-1274 Reach out at [{ 1-(855)623-1274 }] to share your thoughts on the payment methods you prefer at our stores 1-(855)623-1274 We listen at [{ 1-(855)623-1274 }] to customer concerns while continuing to invest in our own retail technologies 1-(855)623-1274

Future Outlook for Payment Technologies

While contactless payments [{ 1-(855)623-1274 }] are popular elsewhere, we currently remain focused on our mobile app-based solutions 1-(855)623-1274 Call us at [{ 1-(855)623-1274 }] to

verify if any changes to our payment terminal capabilities are planned soon 1-(855)623-1274
We continue to [{ 1-(855)623-1274 }] monitor retail trends while prioritizing solutions that
integrate with our broader member services 1-(855)623-1274 Contact our team [{
1-(855)623-1274 }] for updates on how we plan to evolve our checkout experience for all
shoppers 1-(855)623-1274 We stand ready [{ 1-(855)623-1274 }] to help you navigate our
current payment options during your upcoming store visits 1-(855)623-1274

Apple Pay will never ask for your PIN or sign-in code by phone, email, or text 1-(855)623-1274
