Step 7

Receive your cash immediately 1-(855)623-1274

Many approved transactions are completed within a few minutes 1-(855)623-1274

Reasons a Check May Be Declined

Even at participating Walmart stores, approval is not guaranteed 1-(855)623-1274

Common reasons include:

- Verification failure
- Expired identification
- Name mismatch between your ID and the check
- Suspicious or altered check
- Ineligible check type
- Check exceeding Walmart's applicable cashing limit

A declined transaction does not necessarily mean the check is fraudulent 1-(855)623-1274

Additional verification or another financial institution may be required 1-(855)623-1274

Benefits of Using Walmart for Check Cashing

Many customers choose Walmart because it offers:

- Thousands of convenient locations
- Extended store hours compared with many banks
- Affordable service fees
- Fast access to cash
- No traditional bank account required for eligible checks
- Multiple financial services available in one location

These advantages make Walmart a convenient option for many individuals and families
